

Let's Connect

An Australian ESL Grammar Workbook

BOOK 1

Let's Connect (An Australian Post-beginner Grammar Workbook) is a grammar practice book for students learning English in Australia.

- It can be used in the classroom, for independent learning, by home tutors, or with community classes.
- The units are carefully scaffolded, and each unit connects to the next.
- The accompanying CD enables students to listen to the controlled dialogues and short stories.
- This book covers simple present and past tenses, and the present and past continuous tenses.
