

Introducing the new Australian ESL Grammar Workbook 3 by Helga Burry

Let's Connect is a grammar practice book for students learning English in Australia.

This 130 page book and bonus CD features:

- Intensive practice with the present perfect and present perfect continuous tenses for post-beginners.
- Has all the exercises set in an Australian context.
- It can be used in the classroom, for independent learning, by home tutors, or with community classes.
- The units are carefully scaffolded, and each unit connects to the next.
- The accompanying CD enables students to listen to the controlled dialogues and short stories.
- Is written by a teacher with over forty years' teaching experience in Australia and overseas.
